MEMORANDUM FOR: Deputy Director (Administration)
SUBJECT: Report of Activities - Week Ending 21 November 1952

1. Confidential Funds Regulation - 9.4

A formal revision of this regulation has been prepared for the signature of the Director and publication in the Confidential Funds Regulations.

2. CIA Regulations

Acceptance by the Deputy Director (Plans) of a recommended concept of Agency Regulations as opposed to intra-Office regulations has apparently not as yet been given.

3. Project [REDACTED]

You have been informed of the problems which have arisen in conjunction with this project. I have been advised that the Foreign Division is going to make a thorough investigation to ascertain the present status of the activity and to learn how, why, and to what extent operational control over the principal has broken down. The DDP will be given a full report thereon for appropriate operational determinations. Any related administrative action will then be referred to appropriate administrative officials for technical assistance.
